SASKATOON – Negotiations will resume Wednesday, June 5 for a new provincial collective bargaining agreement after an invitation by the Teachers' Bargaining Committee to return to the bargaining table was accepted by the Government-Trustee Bargaining Committee.

The TBC issued the invitation after teachers rejected a tentative provincial collective agreement in a vote held Wednesday and Thursday.

Sanctions will not be implemented while negotiations are taking place. If there is an impasse in negotiations, sanctions may be imposed with 48 hours' notice.
