

TEACHER SALARY CLASSIFICATION

In accordance with *The Teacher Salary Classification Regulations, E-0.2 Reg 25*, teachers in Saskatchewan schools regulated by *The Education Act, 1995* are classified for salary purposes based on their academic qualifications and the type of teacher's certificate they hold.

The salary paid in each class is determined by the Provincial Collective Bargaining Agreement.

Classification is done initially by the employing board of education or conseil scolaire at the time of employment or request for reclassification. It is the responsibility of the teacher to furnish an official transcript confirming completion of their degree(s) to the employing board of education or conseil scolaire for classification purposes. When a teacher improves their qualifications and is thus eligible for reclassification, it is the teacher's responsibility to apply to the employer for reclassification.

APPLICATION FOR RECLASSIFICATION

If you improve your qualifications and believe that you are therefore eligible for reclassification, it is your responsibility to provide your board of education or conseil scolaire with evidence of your qualifications **within the greater** of the following periods:

- (a) 120 days after the day on which you have met the requirements for reclassification; or
- (b) 120 days after the day of commencing duties with the board of education or conseil scolaire.

The date of meeting the requirements for reclassification is deemed to be the date of the final test or examination which qualifies you for the classification.

Once you have met the requirements, your reclassification takes effect on whichever of the following dates that occurs first:

- (a) May 1;
- (b) September 1 (or the school opening date if prior to September 1); or
- (c) January 1.

APPEAL OF CLASSIFICATION

When a teacher believes that the classification is not in accordance with the classification regulations, the teacher may appeal to the Teacher Classification Board. Teachers do not appear in person before this Board.

The Board is comprised of representatives from the Saskatchewan Teachers' Federation, the Saskatchewan School Boards Association and the Ministry of Education.

1. This appeal must be made within six months from the date of issue of the first salary cheque based on the disputed classification in order for the teacher to be eligible to receive retroactive pay to the first day of work.
2. An appeal made after six months will be effective on the date it is received by the Teacher Classification Board.
3. Application forms for review of classification are available on the Teacher Classification in Saskatchewan website at www.publications.saskatchewan.ca/#/products/103725.
4. For more information, visit the Teacher Classification in Saskatchewan website or contact the Teacher Classification Board at teacher.classification@gov.sk.ca.
