371.829114 M376

Rights, schools and communities in minority contexts 1986-2002 : toward the development of French through education, an analysis / Martel, Angéline.

Ottawa, ON : Office of the Commissioner of Official Languages, 2001.

Subjects: Canada. Canadian Charter of Rights and Freedoms. Canadians, French-speaking - Education. French language - Law and legislation - Canada. Schools, French language - Canada.

371.82997 S136

Étude sur les connaissances et l'expérience professionnelles des enseignantes et enseignants autochtones dans les écoles canadiennes / St. Denis, Verna. Canadian Teachers' Federation. Ottawa, ON : CTF, 2010.

Subjects: Aboriginal Canadian teachers. Native peoples - Education - Canada.

Summary: The rationale for the study was to address the urgent need to improve and promote Aboriginal education in public schools. This study asks the question: what can we learn from the professional knowledge and experiences of Aboriginal teachers who teach in public schools about how to better promote and support the success of Aboriginal education in public schools?

371.9 R379

Faciliter la réussite scolaire en adaptant et en modifiant les programmes / Reithaug, Dawn. La Rochelle, Sylvain.

West Vancouver, BC : Stirling Head Enterprises, 1999.

Subjects: Special education. Individualized instruction.

371.9046 I61

Intervention différenciée au primaire en contexte d'intégration scolaire : regards multiples / Schmidt, Sylvine,

Quebec City, QC : Presses de l'Université du Québec, 2009.

Subjects: Learning disabled children - Education - Québec (Province). Inclusive education - Québec (Province). Academic achievement - Québec (Province). Education, Elementary - Québec (Province).

Summary: Intervenir en classe ordinaire pour répondre aux besoins de tout élève, qu'il présente ou non des difficultés dans son parcours scolaire, représente le plus grand défi des enseignants. Il importe donc d'identifier des pratiques de classe pouvant nourrir la réflexion du personnel enseignant et mieux l'orienter au regard des interventions éducatives efficaces dans un contexte d'intégration scolaire. C'est le but poursuivi par cet ouvrage.

371.93 A738

Déficit d'attention et hyperactivité / Armstrong, Thomas.

Strategies for success : tools for the second language classroom / Faulds, Marcelle.

Charlebois, André.

Toronto, ON : Nelson Education, 2010.

Subjects: French language - Study and teaching - Canada. Second language acquisition. Education, Bilingual - Canada.

Contents: 1 book and 1 CD-ROM.

Summary: This book combines professional learning directed to French-as-a-Second Language (FSL) teachers with hundreds of practical ideas, activities, and assessment tools. For quick and easy classroom use, Case Studies and Teacher Tips in each chapter connect research to the realities of the FSL situation. An accompanying CD-ROM includes modifiable reproducible forms for parents, colleagues, administration, the second-language teacher and students. Four video-clips on the CD-ROM bring to life instructional strategies specifically for the second-language classroom.

Ottawa, ON : Canadian Parents for French, 2008.

Subjects: French language - Study and teaching as a second language - Canada.

Notes: Text in English and French.

448.0071 V896

Voir grand, petit à petit : guide de construction identitaire au foyer = Dream big, little by little : a simple guide to building a francophone identity at home / Canadian Teachers'

Federation. Association canadienne d'éducation de langue française. Commission nationale des parents francophones.

Ottawa, ON : CTF, 2007-2008.

Subjects: French language - Study and teaching (Preschool).

Contents: 2 books, 1 CD-ROM, and 1 sheet.

Notes: For parents of children between 0 and 5 years of age.

Summary: Aims to help families in Francophone minority settings instill in their young children a love of their own Francophone culture and language before they start school. The English section is not a mere translation of the French but a carefully crafted adaptation which is geared to the needs of the Anglophone parent. The French version of the booklet targets the Francophone parent.

448.0071 V896

Voir grand, c'est élémentaire! [kit] : guide de construction identitaire au foyer = Dream big, it's elementary : a simple guide to building a francophone identity at home / Canadian

Teachers' Federation. Association canadienne d'éducation de langue française. Commission nationale des parents francophones.

Ottawa, ON : CTF, 2009.

Subjects: French language - Study and teaching (Elementary).

Contents: 2 books, 1 CD-ROM, and 1 sheet.

Notes: For parents of children between 6 and 12 years of age.

Summary: This booklet is the ideal companion for Dream Big, Little By Little. This publication is intended for parents of elementary/primary school children. It offers them tips and suggestions to help them guide their child through his academic achievements and identity-building. One side is for the Francophone parent and the other, for the Anglophone parent, so that both can contribute to the success of their child in a French language school.

TMC E102.1

Les dragons: une étude intégrée basée sur la littérature / Gauthier, Liliane. Mracek, Jeanette. Saskatoon, SK : STF, 1991.

Subjects: Dragons - Study and teaching (Elementary). French language - Study and teaching (Elementary).

Summary: This is a literature-based unit for French immersion students.

TMC E102.2

La pizza / Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Pizza - Study and teaching (Elementary). French language - Study and teaching as a second language (Elementary).

Contents: 1 book and 1 audiocassette.

Notes: Grade 4 level. Core French Elementary. This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students learn about pizza, and plan and prepare a pizza party. The audio cassette includes the pronunciation of the vocabulary lists.

TMC E102.3

Pets / Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Pets - Study and teaching (Elementary). French language - Study and teaching as a second language (Elementary).

Contents: 1 book and 1 audiocassette.

Notes: Grade 4 and 5 level. Core French Elementary. This unit models communicative / experiential second language teaching in a multidimensional curriculum. Students participate in a variety of learning experiences where they become familiar with pets. Students present their own or desired favourite pet. The audio cassette includes the pronunciation of the vocabulary lists.

TMC E102.4

Planning a trip /Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Travel - Planning - Study and teaching (Elementary). French language - Study and teaching as a second language (Elementary).

Contents: 1 book and 1 audiocassette.

Notes: Grade 5 level. Core French Elementary. This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students participate in a variety of learning experiences where they talk about places they've visited, discuss their favourite tourist attractions, discuss activities they would like to do on a trip, and the articles of clothing they would pack. The audio cassette includes the pronunciation of the vocabulary lists.

TMC E115.1

Saskatoon, SK : STF, 1995.

Subjects: Physical fitness. Health education (Elementary).

TMC E118.1

Le roman policier : unité modèle - 6e année / Beutel, Yvette. Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 2001.

Subjects: Detective and mystery stories - Study and teaching (Elementary). French language - Study and teaching as a second language - Immersion method.

Notes: French Immersion Language Arts.

Summary: The goal of this unit is to encourage students to read mystery novels and to develop reading and writing skills through a novel study. The activities proposed in this model unit are related to the novel, Des photos qui parlent, but could easily be adapted to any mystery novel.

TMC E118.2

La biographie et l'autobiographie : unité modèle - 7e année / Kreiser, Elizabeth.

Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 2001.

Subjects: Biography - Study and teaching (Middle school). French language - Study and teaching as a second language - Immersion method. Autobiography - Study and teaching (Middle school).

Notes: French Immersion Language Arts.

Summary: This unit gives the teacher the opportunity to introduce the characteristics and language used in the writing of a biography or an autobiography. Students study biographies of some well known personalities and write both a short biography and their own autobiography.

TMC E118.3

La poésie et la chanson contemporaine : unité modèle - 8e année / Byers, Monique.

Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 2001.

Subjects: French poetry - Study and teaching (Middle school). French language - Study and teaching as a second language - Immersion method. Songs, French - Study and teaching (Middle school).

Notes: French Immersion Language Arts.

Summary: This unit focuses on the exploration and appreciation of popular French songs, especially from Saskatchewan and Canada. The emphasis is on having students examine and evaluate poetry for its messages as well as for its structure and style through songs. Work that students do for evaluation is organized in the form of a poetry journal.

TMC E118.4

Le débat style discussion dans la salle de classe : une unité d'arts langagiers : français en immersion, 6e à 9e année / Lemieux, Yasmina. Saskatchewan Professional Development Unit. Saskatoon, SK : Saskatchewan Teachers' Federation, 2006.

Subjects: French language - Study and teaching (Middle school). Debates and debating - Study and teaching (Middle school).

Summary: This unit is focused on speaking, but incorporates other strands (comprehension in both speaking and writing as well as the writing strand) in the language arts curriculum. The objectives and evaluation strategies referred to in this unit come from the Curriculum Guide for French Immersion : Intermediate Level : Grades 6-9.

TMC P100.15

Les premiers fermiers en Saskatchewan / Préfontaine, Hélène.

Saskatoon, SK : Saskatchewan Teachers' Federation, 2002.

Subjects: Pioneers - Study and teaching (Elementary). Indians of North America - Study and teaching (Elementary).

Notes: Aboriginal content.

Summary: This unit was created to initiate the research process within the context of the theme 'The first farmers of Saskatchewan' (1910). The 'first farmers' include both the immigrants who came to establish themselves in Saskatchewan as well as some of the First Nations peoples whose way of life changed because of the disappearance of the buffalo.

TMC P100.21

Leçon pour la 2e année : Je compare mon école avec les écoles d'autrefois / Préfontaine, Hélène.

Saskatoon, SK : Saskatchewan Teachers' Federation, 2005.

Subjects: Schools - Study and teaching (Primary). Social sciences - Study and teaching (Primary).

Summary: This lesson is from the unit l'Éducation et l'école d'autrefois which can be found on the website entitled Sciences humaines 1 à 5 : modules pour le patrimoine. This unit features lessons for the teacher and interactive activities for the student. This site is located at <http://wblrd.sk.ca/~prefontainehsoc/index.html>.

TMC P102.1

Me / Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Self - Study and teaching (Primary). French language - Study and teaching as a second language (Primary).

Contents: 1 book and 1 audiocassette.

Notes: Grade 1 level. Core French Elementary. This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students have an opportunity to discuss themselves and their families. Students create and share an "all about me" booklet. The audio cassette includes the pronunciation of the vocabulary lists.

TMC P102.10

La salle de classe : grades 1 and 4 core French model unit / Avram-McLean, Lisa.

Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 2001.

Contents: 1 book and 1 CD-ROM.

Notes: Core French Writing Workshop. Core French Elementary Level.

Subjects: French language - Study and teaching as a second language (Elementary).

Summary: This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students have an opportunity to learn about the second language classroom French. During the learning activities students will become familiar with greetings, classroom objects, colours, and classroom expression. The students will create a booklet of classroom expressions to be used throughout the year. The CD includes the pronunciation of the vocabulary.

TMC P102.2

Clothing related to weather / Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Clothing and dress - Study and teaching (Primary). French language - Study and teaching as a second language (Primary).

Contents: 1 book and 1 audiocassette.

Notes: Grade 2 level. Core French Elementary.

Summary: This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students have an opportunity to discuss clothing in relation to the environment. Students will present a stuffed animal or doll dressed according to certain weather conditions. The audio cassette includes the pronunciation of the vocabulary lists.

TMC P102.3

Me and my school / Saskatchewan Teachers' Federation.

Regina, SK : Saskatchewan Education, 1999.

Subjects: Schools - Study and teaching (Primary). French language - Study and teaching as a second language (Primary).

Contents: 1 book and 1 audiocassette

Notes: Grade 3 level. Core French Elementary. This unit models communicative/experiential second language teaching in a multidimensional curriculum. Students will explore various topics related to them and their school while preparing a booklet. The audio cassette includes the pronunciation of the vocabulary lists.

TMC P102.4
