School

I don't like the way the school is write now. I want the school to be like this. Instead of work we should do activities, because it would be easier. Also boys and girls always complain that there is so much work to do, they always ask can we play a game or want to do an activity. And it would actually be much better to do activities because kids would actually come to school, because kids always don't come to school because there is too much work. I know that wouldn't help us learn or anything but it would be better.

Tacos

Tacos are one of the best foods in the world. Tacos can be served in a soft or crunchy shell. When you smell the taco you would say "Am I in heaven?" Tacos usually have spicy hamburger, cheese, minced onions, lettuce, and sour cream. When you bite into the taco it makes your mouth water! It gets kind of annoying hearing everyone crunch on the taco. That's why tacos are one of the best foods in the world.

Picking your class

I think that at school you should be able to pick what class your in.

There are many reasons why I think that. One of the reasons that it is way more fun because you don't have people you don't because sometimes people can be mean to you. Also when you don't have friends in your class you don't always have a partner or group to be with, it makes you feel lonely. Another thing is that if you are the same class with friends you always know when they aren't there. Some of you know what all these feel like because I know I do. It is important to be with your friends.

No More Bullying!! *Persuasive 7*

If there was no more bullying in the world it would be a better place. It bullying is cruel, unfair, rude, wrong, horrible, and harmful. Why should it still exist? No one feels good when they are being picked on except the bully. Instead of feeling good they feel lonely, unhappy, scared, unsafe, sick, hurt, and embarrassed. Bullying doesn't just lead to bad feelings, it also leads to low self-esteem, stress, and depression. Not everyone solves their problems with bullies, some get so tired of it they hurt or even commit suicide because of bullies. No one deserves to be treated how bullies treat others. About 1 million kids get treated badly every week and at least 20 kids commit suicide every year. What I'm saying is that bullying should stop for good!

Delicious Chocolate

My favourite snack is chocolate. It tastes good on fruit, ice cream, smores, or just by itself. The colour of chocolate is a creamy brown. There is dark chocolate, milk chocolate and maybe even mint. It melts in your mouth and leaves your tastebuds dancing. When you take a bite, you hear angels singing. You can't just take a little piece because you will always want more. There are also more things like chocolate cake and hot chocolate. It is made into many chocolate bars such as KitKats, Oh Henrys, Mr. Bigs, Eat Mores, Aeros, Caramilks, Crunchies, and Coffee Crisps. A good mixture with chocolate is caramel. A box of chocolates is also the perfect gift on Valentine's Day. It smells and tastes delicious. What's not to love about it?!

<p style="text-align: center;"><u>Contact Information</u></p> <p>You can contact me at my website www.peermediator.com</p> <p>Or one my phone 123-458-9411. these are all ways u can contact me if your school ever needed a peer mediator or a school con-soler you can also watch my TV show on how a peer mediator would make school a better place not just on the play ground in the class-</p>	<p style="text-align: center;">This is what you have to solve being a peer media-tor</p>	<p style="text-align: center;">Pick me as your peer mediator and things will be better.</p>
--	--	---

Pick me as your peer mediator and there will be no more conflict on the playground or in the classrooms pick me as your peer mediator and the school will be a peaceful place.

I would make a good peer mediator because I like to solve conflict and listen to other peoples stories I would make a good peer mediator because I am good at solving problems. For instances when my cousins are fighting over a toy, I sit them down and talk it over with them and we decide that you Nathan can play with it for 15 minutes and then adam can play with it for 15 minutes and then u guys can keep taking turns and then they both agree with me and give each other a big hug.

Why we need a peer mediator.

For one we need a peer mediator to try to prevent conflict. Two we need a peer mediator to help solve conflict between two students.

Three a peer mediator is a good thing to have around it wil help little kids use words like stop or I don't like that instead of actions like punching or kicking. This is why I think we need a peer mediator.

Mr. Repulsive

Of all the nasty, ugly, repulsive, hideous, smelly, fairytale characters only one of them can be the most disgusting and we call him Shrek.

A Shrek is an ogre. Ogre's look disgusting. His skin is green, not a nice lawn green but the colour of green that comes out when you barf.

J Shrek's diet is disgusting. Wolves eat little pigs, that's not so bad it's just bacon but Shrek eats slimy, greasy, dirty, disgusting slugs.

A Shrek acts disgusting. He has a gas leak so bad that if he had neighbors their house would blow up. P.s. the gas leak was not from his house it was from him.

Both Of all of the fairytale characters Shrek is the most disgusting. He looks disgusting, he eats disgusting, and he acts disgusting. Thank you for voting for disgusting Shrek.
