**A little history of Canada**

Toronto, ON: Oxford University Press, 2004.

*Subjects:* Canada History.

*Summary:* In this insightful overview, the author describes Canada's story as one of continuous transformation. From the First Nations, who had to adapt to a challenging physical environment, to French and British invaders, who in the course of their competition for control, established

colonies across a vast continent, through the integration of those colonies into a national federation, and down to the volatile new political order that has emerged in the last sixty years, the author describes a dynamic country that is constantly emerging, adjusting, and redefining itself.

**Expressions in Canadian Native Studies**

Saskatoon, SK: University Extension Press, 2000.

*Subjects:* Native Peoples - Canada.

*Summary:* This book is a collection of articles reflecting diverse perspectives on important issues in the field of Native Studies. Scholarly arguments, new voices, and an array of other materials such as writings from newspapers, government documents, stories and journal articles are included in this detailed exploration on various topics in this field. These perspectives reflect the debate regarding traditional Western scholarly research methodology as applied to the

Aboriginal tradition of using stories and teachings of Elders as authentic social and historical materials.

**I have lived here since the world began : an illustrated history of Canada's Native people**

Toronto, ON: Lester Publishing, 1996.

*Subjects:* Native Peoplesô Canadaô History. Native peoplesô Canadaô Historyô Pictorial works.

*Summary:* This is a well-researched account of Canadian Aboriginal history from pre-contact times to the present. Following chapters discussing the influence of the land on the diverse languages, lifestyles and traditions of Aboriginal peoples, the book presents a chronological examination of social and political change over time. Included are sections dealing with trade, early involvement in French and British conflicts, treaties, Indian Acts and current issues. The book discusses inaccuracies found in European drawings, and explores the reasons for common misconceptions about historic events or traditions.

*Subjects:* West (U.S.)ô Historyô 1860-1890. Northwest, Canadianô Historyô 1870-1905.  
North West Mounted Police (Canada)ô History.

*Summary:* Through diary entries, letters, anecdotes, and narrative, this book presents a colourful and entertaining account of the creation of the North West Mounted Police and its gruelling trek west. The book details the motivation for forming a police force, the devastating effect of inept leadership, lack of knowledge about the west, the influence of alcohol on the decay of traditional Indian life, the contribution of Jerry Potts, and the courage of the first recruits. Written in the vernacular of the era, the book contains violent, racist, and sexist terminology to illustrate the perceptions of the early recruits and the Americans involved in the whiskey trade.

Christensen, Deanne

**Ahtahkakoop : the epic account of a Plains Cree Head Chief, his people, and their struggle for survival, 1816-1896**

Shell Lake, SK: Ahtahkakoop Publishing, 2000.

*Subjects:* Cree Indians Saskatchewan History. Ahtahkakoop, 1816?-1896.

*Summary:* This eloquently written, well-researched historical work with its emphasis on authentic voice, oral tradition and primary documentation speaks volumes about the shared history of Canada and Ahtahkakoop's people. It offers valuable support for serious students of Canadian history at the secondary and post-secondary levels. The use of numerous maps and illustrations in both colour and black and white add to the appeal and authenticity of the written text.
