Summary: Published in conjunction with the series, *Canada, a people's history* on CBC Television. Volume Two opens with the rebellion over property and language rights for the French-speaking Métis in Manitoba, led by the charismatic and troubled Louis Riel ó a key event in our history and one that haunts us to this day. It closes with the less bloody but no less traumatic confrontation between the Mohawk and the Canadian army at Oka, Quebec, in 1990.

A little history of Canada

Toronto, ON: Oxford University Press, 2004.

Subjects: Canadaô History.

Summary: In this insightful overview, the author describes Canada's story as one of continuous transformation. From the First Nations, who had to adapt to a challenging physical environment, to French and British invaders, who in the course of their competition for control, established colonies across a vast continent, through the integration of those colonies into a national federation, and down to the volatile new political order that has emerged in the last sixty years, the author describes a dynamic country that is constantly emerging, adjusting, and redefining itself.

Summary: This book is a collection of articles reflecting diverse perspectives on important issues in the field of Native Studies. Scholarly arguments, new voices, and an array of other materials such as newspapers, government documents, stories, and journal articles comprise this detailed exploration of this field. These sources reflect the debate regarding traditional Western scholarly research methodology as applied to the Aboriginal tradition of using Elders' teaching and stories as authentic social and historical materials.

I have lived here since the world began : an illustrated history of Canada's Native people

Toronto, ON: Lester Publishing, 1996.

Subjects: Native Peoplesô Canadaô History. Native Peoplesô Canadaô Pictorial works.

Summary: This is a well-researched account of Canadian Aboriginal history from pre-contact times to the present. Following chapters discussing the influence of the land on the diverse languages, lifestyles and traditions of Aboriginal peoples, the book presents a chronological examination of social and political change over time. Included are sections dealing with trade, early involvement in French and British conflicts, treaties, Indian Acts and current issues. The book discusses inaccuracies found in European drawings, and explores the reasons for common misconceptions about historic events or traditions. The book contains a table of contents, a preface discussing terminology used in the book and the ways in which Aboriginal history has been filtered through European viewpoints, numerous archival photographs, 32 pages of colour photographs illustrating Aboriginal art works and artifacts, a bibliography and an index.

The great adventure : how the Mounties conquered the West

Toronto, ON: Penguin Books, 1998.

Subjects: North West Mounted Police, Canadaô History. Northwest, Canadianô Historyô 1870-1905.

Summary: Through diary entries, letters, anecdotes, and narrative, this book presents a colourful and entertaining account of the creation of the North West Mounted Police and its gruelling trek west. The book details the motivation for forming a police force, the devastating effect of inept leadership and lack of knowledge about the west, the influence of alcohol on the decay of traditional Indian life, the contribution of Jerry Potts, and the courage of the first recruits. Written in the vernacular of the era, the book contains violent, racist, and sexist terminology to illustrate the perceptions of the early recruits and of the Americans involved in the whiskey trade.
