Robin Heshka, STF member, travelled to Guyana, South America in July with Project Overseas 2023.

Project Overseas was an experience I will never forget. An experience I will remember while I am teaching a class. An experience I will remember while making a decision for my school. An experience that has left a mark on my heart – in turn making me a stronger educator.

Lynda Gellner, STF member, travelled to Ghana, Africa in July with Project Overseas 2023.

This summer I had the honour of returning to Ghana with Project Overseas. I previously served as Project Overseas volunteer in 2017.

Project Overseas gives individuals an opportunity to make a difference in the professional lives of teachers and the education of students in developing countries. Project Overseas is a challenging assignment in which you must invest both your time and knowledge, but it pays tremendous dividends for one's personal and professional enrichment and changes your life forever!
