

# STF OPTIONAL LIFE INSURANCE (PORTAPLAN)

Portaplan is a life insurance plan offering affordable term life, accident and dependant life insurance to teachers and their families at group rates. Participation in Portaplan is voluntary and 100 percent of the premiums are paid by the policyholder. This plan is administered by the Saskatchewan Teachers' Federation.

## WHY CHOOSE PORTAPLAN?

- Portaplan is a non-profit plan so premium rates are very competitive.
- Portaplan is an affordable alternative to mortgage insurance.
- Coverage under Portaplan continues even if your contract ends, you change careers or you move to another country.
- Portaplan provides insurance coverage in addition to the mandatory Teachers' Group Life Insurance Plan provided through the Saskatchewan Teachers' Superannuation Commission.
- Your spouse can apply for their own policy any time prior to age 65, provided they are a resident of Canada at the time of application.
- If you have young children, you can add dependant life insurance to your policy or your spouse's policy, or to both policies, which provides \$5,000 life insurance coverage for each dependent child regardless of the number of dependants you have.
