- (c) Teachers, including substitute teachers, who supervise pupils during the lunch period, shall be paid at the rate of \$22.00 per hour. The total hours are calculated by the following formula:

Total hours supervised = total monthly minutes supervised/60 minutes (rounded up to the nearest quarter hour).

Except in extenuating circumstances, teachers will give not less than 48 hours' notice prior to the absence. Teachers shall be provided with coverage under the terms of the student basic accident insurance program purchased by the Board.

8:04 Deferred Salary Leave Plan

The Deferred Salary Leave Plan (DSLPL) will be available to a teacher under permanent contract and having a minimum of two consecutive years of employment with the Saskatoon Public School Division. The DSLPL will enable the teacher to schedule a one school year leave of absence in conjunction with a period of continuous employment with the Board.

The terms of the DSLPL inclusive of service and leave, will be three, four, five, six and seven years. The leave period will be the last year of the respective plan and be defined as one school year from the commencement of the school year in August or September to the last day of the school year in June. The deferral period of the plan will include each of the two, three, four, five and six years preceding the leave period.

To enter the DSLPL, the teacher must make application in writing to the Superintendent of Education no later than March 1st prior to the school year in which the deferral period will begin. The number of teachers approved for a DSLPL will be determined by the Board annually based on system needs and other approved leaves.

Notification of withdrawal from the plan must be given prior to March 1 of the school year preceding the leave period. The teacher must take the planned leave of absence if they have not withdrawn from the plan prior to the notification date.

The financial arrangements of the DSLPL will be the responsibility of the teacher. The teacher is also responsible for making necessary arrangements with the Saskatoon Public School Division, Revenue Canada, Saskatchewan Teachers' Federation, the STRP or the Teachers' Superannuation Commission and the teacher's own financial institution.

At the conclusion of the leave period, the teacher will be placed in a position as closely similar as possible to the position held in the final year of the deferral period.

9:02      The Board will direct schools not to conduct school based professional development the day following evening parent/teacher interviews or 3-way conferences. These two half days will be used for elementary teacher planning, and secondary teacher-directed collaboration or independent professional learning. Teacher leadership teams in secondary schools may provide recommendations for collaborative efforts as necessary.

Elementary teachers will have the ability to choose the course of their professional learning on two half (1/2) days. One half (1/2) day comes

from designated school-based professional development and one half (1/2) day comes from designated division-based professional development. The two half (1/2) days will be identified in the school calendar. If there are four (4) or more days for school opening, one of these half (1/2) days will be identified for this period with the other half (1/2) day scheduled outside school opening.

Teachers may choose between independent professional learning, teacher collaboration or participation in any division professional development which may be offered.
